### Office of the Mayor

I have requested our MLA Larry Harrison recognize the former Town of Stewiacke Councillor Mary Commo in the Nova Scotia Legislature.

Mary served on the Town Council for eight years until her untimely passing on December 15, 2022.

Mary's passion, vision, honesty and love of our town was evident to all that knew this amazing lady.

I was blessed to get to know Mary and admired her straightforward, informed & no-nonsense approach.

In our lifetime we can meet amazing individuals who impact us if only for a short time.

Mary had that impact on me personally and reminded me never to give up and to keep moving forward and always stay positive.

Let us never forget Mary and always remember her smile, which was infectious.

It was a privilege to serve on the Town Council with this amazing individual.
