

Voting Experience Survey 2024 Municipal Election

In a continuous effort to increase our service levels, we are looking to solicit feedback from our residents.

At this time, we would welcome hearing your thoughts about your voting experience in the 2024 Town of Stewiacke election.

The Town of Stewiacke has partnered with Dr. Nicole Goodman, a Brock University Professor, to carry out an anonymous survey of your voting experience. The survey is open to all voters no matter which method of voting you use. You can take part in the survey by going to the website [VoterFeedback.ca](https://voterfeedback.ca/) and entering the survey code at the bottom of your Voter Information Letter. If you are voting online, you can also access the survey by pasting the link on the exit page in another browser and following the instructions.

All you need to respond is your 5-digit survey code found on your Voter Information Letter. The survey link is as follows:

<https://voterfeedback.ca/>

General Inquiries should be directed to the Town Office by either sending an email to town@stewiacke.net or by phoning (902) 639-2231.
