## Stewiacke Community Centre Renovations

In May, the Stewiacke Community Centre is undergoing renovations to enhance its facilities. This includes renovating the men's and women's washrooms to make both areas accessible. Additionally, upgrades in the kitchen will feature new countertops, a refrigerator, and improved storage. Moreover, an automatic room divider will be installed in the main hall to allow for more bookings during weekdays. These enhancements were made possible through funding from the Federal and Provincial Government. The Stewiacke Community Centre, a crucial hub in our community, has seen significant improvements over the last four years, including new siding, roofing, heating/cooling units, a generator, and windows.

## Announcing the opening of the Stewiacke Community Garden!

Applications for a garden bed will be available at the Stewiacke town office, the Town of Stewiacke website, and the Community Garden Facebook page. Applications will be available from May 1st to May 24th. All successful applicants will be notified by May 31st. The goal of this garden is to provide community members with space to grow fresh affordable vegetables, learn about sustainability and build community spirit.

Through the collaborate efforts of the Town of Stewiacke and the Stewiacke Garden Club; a community garden is well on its way to being ready for this growing season.

Visit the Stewiacke Community Garden Facebook page for updates.
