STEWIACKE EMPLOYEE OF THE MONTH

You don't need to work with her long to know the effect she has on our regular customers. We have lots of guests that stop in just to see her and to enjoy a sarcastic back and forth while she nails their order without them even telling her. - Cory Pothier

MARC SEGUIN

Throughout my nearly 25-year career, I have held various roles in Provincial and Municipal government, overseeing infrastructure, economic development, recreation, culture, healthcare, and special projects. Collaborating with and advising Councils and Boards has been a rewarding part of my journey. My dedication lies in Community Development, and I am excited about the opportunity to collaborate with the residents, businesses, staff, and Council in Stewiacke.

I also dedicate time to volunteering, serving on Team Nova Scotia's Mission Staff for the 2023 Canada Games and as the Chair of Sport Venues for the 2023 North American Indigenous Games in Halifax. Additionally, I have been coaching minor hockey for three decades.

In my spare time I am very active, I enjoy hiking, kayaking, cycling, playing hockey and love live music.
